Gentlemen:

This is in response to your inquiry dated February 21, 1989, regarding determination letter for the University of Arizona.

Our records indicate that you were formed by the State of Arizona. Section 115 of the Internal Revenue Code provides for the exclusion of income for instrumentalities of a state or municipal government.

Because you are an integral part of the government agency, an exemption letter is not necessary.

Also, it should be noted that contributions made to political subdivisions, such as school districts, are deductible by the donors for Federal income tax purposes if made exclusively for public purposes as provided by section 170(c)(1) of the Internal Revenue Code.

Sincerely yours
